**PRE-AUTHORIZATION FOR HEALTH CARE**

**CONSENT FOR TREATMENT**

By signing this document, I, \_\_\_\_\_, am indicating that I agree to participate in the following services with River-bend Counseling:

- |   |                            |
|---|----------------------------|
| _____ CLINICAL ASSESSMENT                           | _____ INDIVIDUAL THERAPY   |
| _____ CLINICAL ASSESSMENT FOR MY CHILD              | _____ THERAPY FOR MY CHILD |
| _____ FAMILY THERAPY OR COUPLE/RELATIONSHIP THERAPY | _____ GROUP THERAPY        |
| _____ OTHER _____                                   |                            |

I understand that, in order to develop the therapist-patient relationship and treatment plan necessary to meet my needs, an initial assessment will be completed and a joint decision made to either proceed with the recommended treatment plan or to continue the assessment over additional visits. The limitations and benefits of all therapy or services I may receive will be discussed with me. I understand that while the long term goal of therapy is to feel better, I may experience a period of feeling worse before I begin to feel better and I also understand that there is no guarantee of success. I understand that there may be alternative methods of therapy for my consideration and I am encouraged to ask questions regarding my treatment or other methods at any time.

**PRIVACY (CONFIDENTIALITY) POLICY**

State and federal laws protect the confidential nature of the therapist-client relationship. Clinical information will not be released to anyone without prior written consent to do so by the client (or the guardian-parent of a minor). Interaction between client and therapist will occur ONLY during the session. Other interaction is prohibited by the Code of Ethics; text and email messages by other clients or collateral contacts will be ignored. For billing and scheduling questions, please contact Elizabeth at 830-515-8480. However, there are some exceptions where information may be released without client consent. Instances where information may be revealed include:

- 1) A therapist must take appropriate action when there is a danger to the client or to another individual at the client's hands. In general, this means that the therapist may involve others to protect the client if he or she is suicidal or is unable to provide self-care at a level necessary for basic survival. Others may also be involved to prevent harm to another person. State law mandates that suspected neglect or abuse of a child, of an elderly individual, or of a disabled individual must be reported.
- 2) When ordered by a court to do so, a therapist may testify or release client records. However, no release of information or testimony is given in response to a subpoena without the client or client guardian's written authorization unless required by law to do so.
- 3) Consultation with other health care professionals may be necessary at some point in time. Where possible, identification of clients is withheld. However, there are times when exchange of information is necessary. An example of this type of exchange would be when the therapist is out of town or on vacation and another therapist is providing coverage for that therapist. Case material is often used for training, for research, and for other academic endeavors but client identification is always removed. Any other release of information must come with the above listed written approval.

I understand that this agreement is valid for the duration of time that I am participating in services with RiverBend Counseling (hereinafter RBC). By signing below, I acknowledge that I have received a copy of the **Pre-Authorization for Health Care** and the **Privacy (Confidentiality) Policy**, and I understand and agree to the entire contents of those documents. I acknowledge that I have had an opportunity to have answered any questions, comments or concerns that I might have had prior to signing this consent and participating in services. I am aware that I can stop counseling at any time. RBC reserves the right to amend the **Pre-Authorization for Health Care** and the **Privacy (Confidentiality) Policy** and changes will be available at the office of RBC and on the RBC website at [www.RiverBendCounseling.com](http://www.RiverBendCounseling.com). I can request a copy of changes at any time at no charge. Any changes that RBC makes are effective immediately unless otherwise indicated. **A COPY OF THIS PAGE MAY BE FOUND ON THE LAST PAGE.**

### Notice of Financial Responsibility

I understand that I will be charged \$150 for an initial session, \$125 for each 45-60 minute session, \$150 for each 75-90 minute session, \$135 for each couples session, \$75 for each 20-30 minute session, \$125 per hour for telephone support prorated in 15 minute increments, and various other charges as needed for court appearances, report writing and consultation etc. with others. I am aware that State and federal laws require RBC to collect co-payments, co-insurance and deductibles in full. **I am responsible for paying my co-payment at the time of my session.** RBC will bill me for co-insurance and deductibles that are due after RBC files with my insurance company and receives an explanation of benefits.

If RBC is an in-network provider for my insurance company, I am only responsible for the RBC contracted rate which may be the same or less than the RBC rates for services. If RBC is an out-of-network provider, I may be responsible for the difference between what my insurance pays and what RBC charges. I am aware that RBC *may* charge me interest if I am under a payment plan. **If I do not give 24 hours notice of a cancellation or if I miss my appointment, I will be charged the full session fee. If I cancel within 24 hours prior to the appointment, a lesser fee will be charged.** After receiving an Explanation of Benefits from my insurance company, or if I am paying privately, if my balance exceeds \$200, my counselor may stop providing services until my balance is down to a reasonable amount. I understand that services may not be provided if my account is turned over to an attorney or other agency for collection.

**I am aware that there is no guarantee that my insurance company will cover services, and that I am fully responsible for all fees not covered by my insurance company.** I understand that payment may be made with cash, credit card, or by check. RBC does not extend credit. In any such arrangement, late payment fees of \$25 per month will be charged on any balance not paid within 30 days. RBC does not depend on an outside collection service unless accounts are overdue by 90 days. RBC would much rather communicate with patients and find solutions to overdue accounts. I hereby consent to the delegation of collection activities to an outside collection agency, including the release of necessary information required by the collection agency. A delinquency fee of 40% of the outstanding balance will be added if a collection agency is required. There is a returned check processing fee of \$25 in addition to reimbursement for charges assessed by the RBC bank. Statements, receipts, or other documentation will not be issued to any delinquent account until paid in full. Payment by credit cards will be in accordance with the **Pre-authorization for Health Care** form provided by RBC. I agree that RBC reserves the right to amend this agreement and may provide me with written notice of any amendment, at which time I will have 30 days to decide if I will continue services with RBC under the amended agreement. I authorize payment of benefits to RBC for any and all services provided by RBC.

**COURT APPEARANCES:** I understand that if report preparation is requested or required, the time rate charged for our therapy sessions will apply. Extended or frequent telephone contact will also be charged for. These services are not usually reimbursed by insurance. I will not agree to court appearances or other legal involvements unless we have discussed the matter thoroughly and both agree that such involvement is within my range of competence and will not interfere with the treatment relationship. Professional fees for court appearances, depositions and attorney consultations are \$125 per hour including travel and waiting time, are non-discountable, and are payable in advance only. A four hour minimum (\$500) is required and must be paid prior to any testimony, provision of a clinical opinion, response to attorneys via telephone call or mail, subpoenas, or preparation of any report for litigating parties.
